

TEAMGLOBAL GOES PLACES

Successfully completes 3 yrs of operations in India

TGL is also scheduled to embark on another quality initiative to take the orgn to then next level of competency. The company is also building a strong it platform and will soon implement its all India erp software with a strong e-commerce module.

Teamglobal currently offers more than 53 direct lcl export consolidation services from various ports in India catering to more than 2000 worldwide destinations and has direct import services from global origins into India thus making it a one stop show for LCL shipment to & from INDIA.

Apart from the consolidation segment the company also has presence in the areas of FCL forwarding & project cargo transportation.. Over the year Teamglobal has executed prestigious project for large Indian Engg Cos.

Mr Nityam Khosla who is on the board of Team Global Stated thar TGL has aligned its action with highest level of excellence & integrity & after starting its operation in key locations in India with head office in Mumbai.

TGL has established its presence in 16 locations in India out of which 7 are its fully own offices & exclusive agents in other locations. In the current financial year Team Global has planned to open more offices in India Thereby creating larger footprint on a nationwide scale.

Mr Vivek Kele another director speaking on the occasion added that Team global follow strong HR practices & has seen little employee turnover since starting its operations. On another round of HR initiative has been schedule to begain in this financial year

In order to administer the growth & support future expansion plan, Teamglobal has recruited senior people from Shipping industry who will reinforce core management team & see the company through its next level of expansion.

TGL is globally associated with Shipco transport INC which over the years has grown to 45 of its own offices & a set of reliable agent across 5 continents making it one of the most expensive & reliable network in the world.

TGLs global network also compromises of major players in global NVOCC industry viz Transglory SA, SPain; Combimar and Agemar, Italy; CFR freight, South Africa; Dolphin Logistics Co, Taiwan. This synergy has enabled TGL to offer a unique product with reliable and efficient services at both ends of the shipping process making its one of the most formidable & challenging player in this Logistics Industry.
