

### **Teamglobal Logistics commences own operations in Jaipur.**

Teamglobal logistics Pvt. Ltd one of the leading LCL Carrier having pan India presence has ventured in the important market of Rajasthan by opening its own office in Jaipur.

The Company was started in year 2005 by one of the most credible names in the shipping industry who have decades of experience in the business of LCL cargo consolidation. Over the years Teamglobal has expanded rapidly in 16 locations in India thus ensuring that its customers are being offered a uniform logistic solution across India.

Teamglobal Logistics would be operating in the Sea freight & the Air freight segments from this location. Apart from consolidation in LCL service Teamglobal will also offer Full container Forwarding and Project cargo transportation solutions. Teamglobal is also into the FCL forwarding business. Teamglobal will continue its service into Central African Land locked Destinations.

Teamglobal is globally associated with Shipco Transport & SACO and is a member of World Wide Alliance (WWA), WWA is a network of strong LCL operators globally who are market leaders in their countries of operations.

Teamglobal Jaipur operations will be overseen by branch manager Mr. Rajendra Singh Chouhan who is complimented by a team of well experienced and trained staff. Mr. Shibu Paul is the Regional Manager for North India and will have Jaipur as an additional branch under his jurisdiction.
